Preparation of 2024 T4 and/or T5 slips

Our records indicate that we prepare annual T4 and/or T5 slips for you and/or your business. Canada Revenue Agency's ("CRA") deadline for filing these reports is February 28, 2025.

Please note, if you have already sent your information to us, we thank you and please disregard this letter. If we have a payroll/dividend schedule set up for you, please confirm that there have been no deviations from the schedule and if you made any RRSP contributions directly from your company.
